SEPTEMBER 2008

The Annual General Meeting of 3WBC was held at the Town Hall Hub on Wednesday 20th August and, despite parking problems due to other activities within the town hall, we had an attendance of forty-three members.

It was very pleasing to have twelve nominations for seven positions on the committee; always a good sign when people are prepared to be part of a committee. The new committee for 2007-2008 is: Loris Young - President, Paul Hooper - V/President, John Farmer - Secretary/Treasurer together with Alan Birkett, Peter Cassidy, Andrew McColm and Phillip Edwards. Our thanks go to those former committee members who were not re-elected and to those who nominated for the first time and were not successful. Now the election is over, it is time to get down to work.

On 23rd August 2008, the last football game was broadcast from the Box Hill Oval for season 2008. The relationship with the Box Hill Hawks has been outstanding, and we shall be following up with them re season 2009. The involvement with the football club has resulted in a number of enquiries re sponsorship which we are following up as potential income.

Our seven sub-committees will now be asked to forward their wish lists for the financial year 2008-2009, to assist in our continued effort to ensure we are at the forefront of community radio broadcasting. Obviously furnishing a wish list is one thing, having the finances to accommodate the wishes is another, and to that end we shall continue to look for increased

'THOUGHT FOR THE MONTH'

The following quotation was taken from the website, www.quotationspage.com:

'The secret of a good life is to have the right loyalties and hold them in the right scale of values.'

membership and sponsorship. We appreciate the majority of companies are feeling the pinch with the present monetary pressures, however we must continue to try. We have a modern studio, new equipment and tremendous enthusiasm which will only remain if we continue to be progressive, and to be progressive we need to be financial.

To aid our finances we are holding a concert in The Box Hill Town Hall on 22 November 2008, check the back of this edition for more information.

It is difficult to continually list the new equipment and changes which happen on a daily basis at the station however, any member is more than welcome to pay us a visit; we are easy to find at the back of The Box Hill Town Hall.

As mentioned in the last edition we have had a surge in membership, and hopefully this will continue to bolster the coffers.

In closing, we would like to take this opportunity of wishing Jim Graham all the best and a speedy recovery. Jim, a stalwart at 3WBC has been in hospital to have a hip replacement and is now on the mend.
